# Your **curated** colour schemes by Alisa and Lysandra

Homebuyers Centre has partnered with Alisa and Lysandra to take the stress out of home design and have carefully curated three brand new colour schemes just for you.

Exclusive to Homebuyers Centre

## Industrial

Go bold or go home, or in this case design a bold home!

Perfect for the young professional couple or contemporary family, Homebuyers Centre's spin on this industrial style combines hard wearing, textural elements with sleek and stylish finishes to create a home that is bold and modern.

## Coastal

The Australian beach-loving lifestyle

Coastal is everything you would expect in a stunning seaside abode. Cool and bright whites and pale greys replicate the soothing tones found in rolling sand dunes. This design scheme is fresh, light, energising and encapsulates everything we love about the Australian beach culture.

## Adriatic

Take a trip to the Mediterranean

Channelling a cool and calming palette, the contemporary Adriatic scheme subtly references ocean tones, characterised by the unassuming and romantic aesthetic of the Mediterranean. A seamless blend of coastal and urban design, this scheme is impactful in all the right ways.
